Mohd Yasir

Greater Noida,Uttar Pradesh | yasir.mohd9720@gmail.com | (+91)-9720823331 | LinkedIn | Leetcode | GitHub

Summary

Aspiring Software Engineer skilled in full stack development with expertise in MERN technologies. Experienced in delivering practical projects, actively engaged in coding events, and passionate about building secure, scalable applications

Education

Bachelor Of Technology(B-Tech) in Computer Science Engineering   2022–2026
Galgotias University , Greater Noida

- CGPA: 8.81/10.0

Class-XII (Senior Secondary)   2020–2021
Blackdale Public School | CBSE | 2021

- Percentage : 79.5

Class-X (Secondary)   2018–2019
Blackdale Public School | CBSE | 2019

- Percentage : 73.16

Skills

Programming Languages: Java,JavaScript

Web Technology: HTML, CSS, JavaScript, Bootstrap, Material UI

Frameworks/Libraries: React.js, Node.js, Express.js

Databases: MongoDB , MySQL

Tools/Platforms: VS Code ,GitHub , PostMan , MS Office ,Microsoft PowerApps

Projects

StudySphere| MongoDB, Express.js, React.js, Node.js | Live   Oct 2024

- Developed a full-stack educational platform with complete CRUD operations for managing courses.
- Designed a dual-interface dashboard for instructors and students, ensuring role-based access.
- Student Features: Course enrollment, interactive learning modules, and progress tracking.
- Enhanced Security: Implemented secure authentication, authorization, and encryption for user data.

Bookish| MongoDB, Express.js, React.js, Node.js | Live   Jan 2025

- A full-stack online platform enabling users to buy and sell second-hand books efficiently and securely.
- Built a dynamic and responsive React.js frontend using React Router and modular components for smooth navigation and intuitive UX.
- Developed RESTful APIs using Express.js and Node.js, handling book listings, search, filters, authentication, and user management.
- Implemented JWT-based authentication with protected routes for secure login, registration, and session management.

CERTIFICATIONS

- Java Programming – Great Learning
- MERN Stack Development - Simplilearn
- JAVA Basics - HackerRank
- Software Engineering - NPTEL

Achievements

- Smart India Hackathon 2024 Pre-Qualifiers: Selected for the prestigious national-level innovation challenge.
- Solved over 650+ questions of data structures and algorithm.
- 5 Stars on HackerRank in java Problem Solving.
